**SECTION I/PRODUCT INFORMATION**

COMMON NAME: ASCORBOSILANE C  
 CAS No: PROPRIETARY  
 CHEMICAL NAME: ASCORBYL METHYLSIALNOL PECTINATE  
 CFTA NAME: ASCORBYL METHYLSIALNOL PECTINATE  
 EINECS NUMBER: 2194899, 2000662

ACTIVE INGREDIENTS: ASCORBOSILANE C

**SECTION II/HAZARDOUS INGREDIENTS CONTAINED IN PRODUCT**

| Principal Hazardous Components | % | Threshold Limit Value |
|--------------------------------|---|-----------------------|
| None                           |   |                       |

| HAZARD RATING | Health | Flammability | Reactivity |
|---------------|--------|--------------|------------|
| Scale 0 - 4   | 0      | 0            | 0          |

**SECTION III/PHYSICAL & CHEMICAL CHARACTERISTICS (Fire & Explosion Data)**

|                                  |   |  |                                       |                  |     |
|----------------------------------|---|--|---------------------------------------|------------------|-----|
| Boiling Point                    | 212 degrees F<br>100 degrees C  | Specific Gravity (H <sub>2</sub> O-1)          | 1.00                                  | Vapor Pressure   | N/A |
| Volatility                       | 0%  | Vapor Density                                  | N/A                                   | Evaporation Rate | N/A |
| Solubility in Water              | Soluble   | Reactivity in Water                            | None                                  |                  |     |
| Appearance & Odor                | Liquid, slightly opalescent, colorless to pale yellow, slightly odorous |  |                                       |                  |     |
| Special Fire Fighting Procedures | None  | Auto-Ignition Temperature                      | N/A                                   |                  |     |
| Unusual Fire & Explosion Hazards | None  | Preservative: Sodium Methyl parabens<br>0.128% | Preservative: Propylparaben<br>0.032% |                  |     |

**SECTION IV/PHYSICAL HAZARDS**

Stability: **Stable** Unstable

Maintain the concentrated products to a pH about 3, but not less

Conditions/Materials to Avoid: Do not expose to a temperature below 0° C = 32° F in order to avoid the formation of a polymer which would make the Silanol part inactive

Incompatibility: Oxidizers

Hazardous Decomposition: None Known

Hazardous Polymerization: May Occur **Will Not Occur** Avoid

**SECTION V/HEALTH HAZARDS**

Threshold Limit Value: None Known

Signs & Symptoms of Exposure (Acute Overexposure): None. LD<sub>50</sub>>20ml/kg. Non irritant for the skin and for the eyes. Sub-acute toxicity indicates Non-Toxic product. Genotoxicity: Non genotoxic product.

Signs & Symptoms of Exposure (Chronic Overexposure): None

Medical Conditions Generally Aggravated by Exposure: None Known

|   |                              |           |                   |           |
|---|------------------------------|-----------|-------------------|-----------|
| Chemical Listed as Carcinogen Or Possible Carcinogens: None | National Toxicology Program: | Yes<br>No | LARC<br>Monograph | Yes<br>No |
|---|------------------------------|-----------|-------------------|-----------|

OSHA Permissible Exposure Limit: None

ACGIH Threshold Limit Value: None Known

Other Exposure Limit: None Known

**Emergency & First Aid Procedures**

1. Inhalation: Remove to fresh air and contact a physician immediately
2. Eyes: Immediately flush eyes with large quantities of clean water for at least 15 minutes. Call physician immediately.
3. Skin: Remove any contaminated clothing or shoes. Thoroughly wash affected areas with soap and water. Flush with large quantities of clean water. If irritation develops, call physician immediately.
4. Ingestion: Do not induce vomiting. Administer water and call a physician or poison control center immediately.

---

**SECTION VI/SPECIAL PROTECTION INFORMATION**

Respiratory Protection: None

Ventilation: None

Local Exhaust: None

Mechanical: None Known

Special: None

Protective Gloves: Chemical Resistant

Eye Protection: Safety Glasses

Other Protective Clothing or Equipment: Acceptable industrial hygiene precautions

---

**SECTION VII/SPECIAL PRECAUTIONS and SPILL & LEAK PROCEDURES**

Precautions to be taken in Handling &amp; Storage: Store in a cool, dry place away from sunlight, dust, heat, or flame.

Other precautions: None

Steps to be taken in Case Material is Released or Spilled: Non-Hazardous cleanup OK.

Waste Disposal Methods: Non-applicable.

**Important: Do not leave any blank spaces. If required information is unknown or does not apply so indicate.**
