

SELECTIVE SERVICE STATEMENT

Student Information

Name _____ ID # _____

Information

In accordance with TEC, 51.9095, male students may not receive financial assistance without filing a Selective Service Status Statement with their institution or other entity granting or guaranteeing the assistance. Financial assistance includes grants, scholarships, loans or other assistance funded by state revenue, including federal funds or gifts and grants accepted by the state.

For a male student that does not complete a FAFSA, the required status statement and back-up documentation must be collected by Lamar State College Port Arthur to verify the current selective service status if the individual is applying for any state financial aid. We are able to accept a copy of your registration card or a printout of online verification of registration found at www.sss.gov

Your Selective Service registration card is printed only once at the time of your initial registration, after that the replacement card is in the form of a letter confirming your registration with Selective Service. Call Selective Service at 1-847-688-6888, for assistance.
